Classroom Request Form

At Journey Elementary we strive to have classrooms that are well balanced. When assigning students to classrooms, teachers consider the following: boy/girl ratio, ability levels, students who access additional academic services, counseling services, speech therapy, OT/PT, special education and gifted, personality conflicts, and learning styles. Our staff spends a great deal of time placing our students into the positions we distinguish as the most beneficial learning environment for your child. However, if you would like to give us any input as to the separation of students, your personal views of your child's personality, or specific health concerns of your child we would accept that information. Having had so many teacher requests filled in the past has hindered our ability to choose the best routes for all our students. Therefore, this is NOT a teacher request Thank you for your understanding and accepting the change from past years, as the district is moving away from them.

I would like my child separated from another child:_____

Which child are you referring:_____

My child needs a nurturing teacher:_____

My child needs a teacher that is very structured:_____

My child has a health/ allergy concern:_____

Concern:_____
